

**Berkeley Law Improvements
Construction Update
November 19, 2009**

Below is the weekly update for the Berkeley Law construction project. Special notices will also be sent as needed. Please consider that all construction projects are subject to scheduling intricacies that can result in day-to-day changes in planned events.

No construction Thanksgiving Weekend

Have a happy Thanksgiving holiday!

- * A concrete pour for the east side of the second level deck is scheduled Nov. 23.
- * Following the deck pour on Nov. 23, work to build the next level walls, columns and elevator shaft will begin. Activity includes building concrete forms and installing rebar.
- * Project work to convert a small part of the parking garage to a new mail room for Berkeley Law began this week.

SAFETY

The safety of all those traveling and working in the area is paramount. Cross only in crosswalks and walk on open sidewalks – please do not walk in the street at any time.

If you have questions or concerns about the project at any time, please contact Christine Shaff in Facilities Services at 643-4793 or cshaff@berkeley.edu.
